# **Technical** Data Sheet

### **ZK1651G**

# **EFDEZELL-Clearcoat**

#### **Product description**

Product technology Solvent-based air-drying coating

Resistance to light and

weather

Good light resistance

Substrate Non-ferrous metals, Steel

#### **General product properties**

Binder-Base Combination of nitrocellulose-/alkyd resin

**Colour** transparent

Gloss value high glossy 70-90 GU, angle 20° DIN EN ISO 2813

ViscosityFlow time 20-28 sec., 4 mm flow cupDIN 53211Density0,9-1,0 g/mltheoretical

Solid mass 21,5-22,5 % theoretical

Solid content in volume 18-19 % theoretical

**Reference product** The specified values refer to the product ZK1651GRA999.

Resistance to storage approx. 18 month in original packagings at an ambient temperature of 5 to 25 °C. Open

packages are to be used within a short time.

The minimum storage stability of each batch is stated on the product label. The material does not necessarily become unusable if stored for longer than this period. However, for quality assurance purposes, an inspection of these materials is essential to ensure that they are still suitable for the intended application.

#### **Application and processing**

Pretreatment

The substrate must be free of adhesion-impairing substances such as oil, grease, rust,

scale, mill scale, wax and release agent residues. We recommend the use of suitable mechanical pre-treatment processes (e.g. blasting, grinding) or chemical pre-treatment

processes (e.g. phosphating) according to the requirements.

**Structure** Substrate Non-ferrous metals

Top coat ZK1651GRA999

Dry film thickness 20-30 µm

**Note before use** Prior to use, stir well or mix components homogeneously (e.g. with fast mixer).

Our technical data sheets are to provide you with advice based on our latest state of knowledge. This guidance does not release you from your own obligation to test our products for their suitability for your intended purposes and applications.

The sale of our products is in accordance with our terms of business, delivery and payment.
